I. Roll Call

II. Old Business

- a. Inventory – Ms. Higgins provided an update on the current teacher inventory project. She told the committee the project deadline is March 11th and she can provide an update on progress at the next committee meeting.
- b. NWEA results – Mr. Crowder told the committee that the next benchmark was scheduled for March 25-27.
 - The growth score from the last test have already been used and have been shared with parents.
 - They are using that information to identify children that may need Saturday school. Additionally, teachers had submitted student’s names, who they feel need significant help and those are on the bubble. Those students began extra instruction last week. Mr. Crowder told the committee that the school was able to correct the issues they were having with NWEA, the program had under gone an update which cause glitches.

- Ms. Higgins voiced concern regarding the March bench mark testing schedule saying she felt it would be better to do it in May.

III. New Business

- a. Special Services (OT) update – The schools OT has left and the school is they are now employing a service to fulfill the OT needs of the student who needs it.
- b. Saturday School update – Ms. Walker told the committee that parents had been notified that their student was identified as needing the extra support. The school will be conducting Saturday school for 4 Saturdays.
